RESPONSE (F) AFTER FINAL

Applicants have the following response to the Final Rejection of February 9, 2006.

Applicants will address each of the rejections in the order in which they appear in the Office Action.

Claim Rejections - 35 USC §112

In the Final Rejection, the Examiner rejects Claims 1-16 and 20-31 under 35 USC §112, first paragraph, as failing to comply with the enablement requirement. This rejection is respectfully traversed.

More specifically, the Examiner is contending that the "specification has not enabled one with ordinary skill in the art to combine the features of the Fifth (figures 7A and 7B), Sixth (figures 12A and 12B), and Seventh (figures 13A and 13B) Embodiments without undue experimentation."
